

Article IX.A.1.f. Payroll Deductions

A. Statement of Policy

As a service to contract employees, the following payroll deductions will be made by the District as authorized by the employee on District-approved forms:

Dues to Employee Associations
United Way
United States Savings Bonds
Granite District Credit Union Transactions
District Welfare Association

Other insurance, etc. which the District chooses to offer payroll deduction for. These will normally, but not necessarily, be limited to those plans secured by the District's insurance plan administrator .

Except where prohibited by statutes, payroll deduction items may be added to or deleted from the above listing whenever the District deems it appropriate to do so.

Payroll deductions, except where specified otherwise, are limited to contract employees. The District will establish various rules and procedures to be used in the deduction process.
