

Article X.A.2. Selection or Musical Scores and/or Theatrical Scripts for Presentation by
Secondary Schools

A. Statement of Purpose

It shall be the responsibility of a secondary school, before it begins work on a musical or theatrical production, to present the score of the musical and/or the script for the theatrical production to the appropriate member of the superintendency for review and approval. The school will complete this action no later than thirty days prior to the beginning date of such production.
