### Concepts:
- The student understands and applies a variety of lines in creating artwork.

### Skills:
- Recognize contour lines
- Ability to duplicate parallel lines
- Ability to create patterns of a variety of shapes

### Standards:
- **CREATE (2.V.CR.)** Students will generate artistic work by conceptualizing, organizing, and completing their artistic ideas. They will refine original work through persistence, reflection and evaluation (Standards 2.V.CR.1–5).
- **PRESENT (2.V.P.)** Students will analyze, interpret, refine, and select artistic work for presentation. They will convey meaning in the manner in which the art is presented (Standards 2.V.P.1–3).
- **RESPOND (2.V.R.)** Students will understand, evaluate, and articulate how works of art convey meaning for the observer as well as the creator (Standards 2.V.R.1–3).
- **CONNECT (2.V.CO.)** Students will relate artistic skills, ideas, and work with personal meaning and external con-text (Standards 2.V.CO.1–2).

### Visual Art Content Objectives
- I can copy and create repetitive patterns
- I can show emotion and facial expressions using lines
- I can recognize line in art history images

### Vocabulary students should use:
- Line
- Outline
- Contour
- Organic
- Geometric
- Pattern
- Repetition
- Spiral

### Lessons (Activities)
- Draw the basic **outline** or **contour line** of an object. Fill in the object’s outline with unique combinations of repetitive **organic** and **geometric line** papers. E.g. *Entertaining Favorite Ladies II* by Jeanne Clarke
- Create a group mural using a variety of line **pattern** and **repetition**.

### Visual Art / Common Core Language Objectives
- Research and create a variety of facial expressions using line in cartooning.
- Express awareness of likes and dislikes
- Critique works of art expressing likes and dislikes, use *Springville Art Posters* or other images.
- Write a sentence about something you love, express that feeling with line.
- For students who may not be able to engage in the above language objectives they may; demonstrate, create, or present the work to show understanding.

### Assessment Options:
The student uses the elements of dance to effectively communicate ideas. Have students color in content objectives on their personal Learning Map.
### Visual Art Content Objectives

- I can observe the environment and use symbolism in communicating meaning.
- I can recognize shapes in famous art works.
- I can show healthy relationships with others while creating group murals.

#### Vocabulary

- geometric shapes
- organic shapes
- repetition
- overlap

#### Lessons (Activities)

- Draw **geometric shapes** with a protractor, compass and/or ruler.
- Design cars, buildings and animals.
- Choose favorite letters of the alphabet. Draw or trace several letters in **repeating** shapes in a painting. **Overlap** some of your letters.

### Visual Art / Common Core Language Objectives

- Identify and name geometric shapes in the classroom.
- Examine and discuss the use of geometric and organic shapes in art masterpieces and other cultures.
- Conduct a short research project to find narrative artwork, artwork that tells a story. E.g. "Jitterbugs II" by William H. Johnson
- For students who may not be able to engage in the above language objectives they may; demonstrate, create, or present the work to show understanding.

# Unit of Study

**Elements of Art - Texture**

## Key Concepts:

- The student understands that texture is an element of art that can be used to create emphasis or an area that is more important than the other areas in an artwork.

## Skills:

- Recognize the different textural patterns unique to various objects.
- Ability to group lines, dots and shapes in textural patterns.
- Ability to use line, dots, and shapes to mimic simple textures.

## Standards:

1. **CREATE (2.V.CR.)** Students will generate artistic work by conceptualizing, organizing, and completing their artistic ideas. They will refine original work through persistence, reflection and evaluation (Standards 2.V.CR.1–5).
2. **PRESENT (2.V.P.)** Students will analyze, interpret, refine, and select artistic work for presentation. They will convey meaning in the manner in which the art is presented (Standards 2.V.P.1–3).
3. **RESPOND (2.V.R.)** Students will understand, evaluate, and articulate how works of art convey meaning for the observer as well as the creator (Standards 2.V.R.1–3).
4. **CONNECT (2.V.CO.)** Students will relate artistic skills, ideas, and work with personal meaning and external con-text (Standards 2.V.CO.1–2).

<tbody>
<tr>
<td>I can combine textures</td>
</tr>
<tr>
<td>I can repeat line, dots, and shapes to mimic texture</td>
</tr>
<tr>
<td>I can create depth by varying the size of texture</td>
</tr>
<tr>
<td>I can recognize texture in works of art</td>
</tr>
</tbody>
</table>

## Vocabulary students should use

- texture
- mimic
- visual texture
- illusion
- depth
- foreground
- background

## Lessons (Activities)

- Locate the roughest *textures* to make “rubbings.”
- Share ideas on how to *mimic* textures that can’t be rubbed and create a drawing with *visual textures*.
- Look at artworks E.g. *Stone City, Iowa* by Grant Wood and study how artists use texture to give the *illusion* of *depth*. Create a drawing with more texture in the *foreground* and less in the *background*.

## Visual Art / Common Core Language Objectives

- Engage in group projects and discussions
- Make judgments on what part of an artwork has emphasis
- For students who may not be able to engage in the above language objectives they may; demonstrate, create, or present the work to show understanding.

**Assessment Options:** The student uses the elements of dance to effectively communicate ideas. Have students color in content objectives on their personal Learning Map.
### Key Concepts:
- The student understands that artists use contrasting color to create emphasis in their artwork.

### Skills:
- Working knowledge of the color wheel
- Understand primary and secondary color theory
- Understand mixing primary colors with secondary colors creates tertiary colors
- Understand which colors are warm and cool

### Standards:
- **CREATE (2.V.CR.)** Students will generate artistic work by conceptualizing, organizing, and completing their artistic ideas. They will refine original work through persistence, reflection and evaluation (Standards 2.V.CR.1–5).
- **PRESENT (2.V.P.)** Students will analyze, interpret, refine, and select artistic work for presentation. They will convey meaning in the manner in which the art is presented (Standards 2.V.P.1–3).
- **RESPOND (2.V.R.)** Students will understand, evaluate, and articulate how works of art convey meaning for the observer as well as the creator (Standards 2.V.R.1–3).
- **CONNECT (2.V.CO.)** Students will relate artistic skills, ideas, and work with personal meaning and external context (Standards 2.V.CO.1–2).

### Visual Art Content Objectives
- I can lighten and darken colors
- I can use warm or cool **color schemes**
- I can use color to show mood and emotions
- I can choose colors based on **aesthetics**
- I can recognize specific colors in paintings
- I can participate in exhibits and in social interactions

### Vocabulary
- **neutrals**
- **spatial contrast**
- **emphasis**
- **color scheme**
- **aesthetics**
- **tertiary**

### Lessons (Activities)
- Discover making secondary colors by mixing the primary colors together either using play dough or paint.
- Study how artists make one place in their pictures more important than other areas. Apply **contrasting** colors to create an **emphasis** area in a painting using paint or colored construction paper.
- **Pantone Colors Art Lesson**
- **How to Make a Color Wheel with Tertiary Colors**

### Visual Art / Common Core Language Objectives
- List and identify **neutrals**. Use neutrals to darken or lighten colors. E.g. Neutrals: black, white, gray, brown
- Describe the concept of warm and cool colors.
- Discuss, and produce a written statement that compares how different colors affect mood.
- Examine and engage in collaborative discussions about works of art to discover how primary and secondary colors and **neutrals** can communicate **spatial** ideas
- **For students who may not be able to engage in the above language objectives they may;** demonstrate, create, or present the work to show understanding.
