Has this student tested for Advance Learning Program before? NO YES

The purpose of this form is to appeal the decision regarding my student's eligibility for participation in the Advanced Learning Program. I understand that the purpose for the process was to identify the top-ranked 3-5% of the district's enrollment and that space in the program is limited. My appeal is based on the following circumstances and/or information that was not considered by the district committee and that may have improved my child's ranking over other students, if considered.

(This form must be submitted within 14 days of receiving your child's test scores)
